

Amendments to the Claims:

Please do not enter the After Final Amendment of July 7, 2003. Please cancel claim 12 and amend claim 8 as indicated in the following listing of claims, which replaces all prior versions and listings of claims in the application:

Listing of Claims:

Claims 1-7. (Canceled)

Claim 8. (Currently amended) A wireless information storage device, comprising:

a coil antenna having a two-dimensional center for transmitting and/or receiving a signal via wireless communication and a space therein;

a memory arranged in the space of the coil antenna for storing information;

a control unit that generates information by demodulating a signal received via the coil antenna, and generates a signal to be transmitted via the coil antenna by modulating information stored in the memory, the control unit being arranged in the space of the coil antenna; and

a molded case having a two-dimensional center including the coil antenna, wherein each coil antenna is located at a position in the device relatively different from each other when a plurality of devices is stacked.
